PROFESSIONAL PROFILE

Dedicated and highly skilled Head Baker with extensive experience in luxury hospitality, including 5-star hotel environments and high-volume premium bakeries. Proven expertise in artisanal bread production, laminated pastries, and destination-inspired specialties aligned with contemporary luxury culinary trends. Strong leader adept at managing bakery staff, optimizing inventory, and ensuring strict compliance with USPH and HACCP standards. Committed to delivering world-class culinary experiences, maintaining exceptional product consistency, and upholding luxury aesthetics in fast-paced environments.

WORK EXPERIENCE

Senior Baker & Pastry Specialist

Feb 2024 - Present

Magnolia Bakery

- Produced world-class baked goods such as sourdoughs, laminated pastries, and gluten-free selections.
- Collaborated with the Executive Chef and Pastry Chef, demonstrating flexibility to accommodate seasonal offerings and guest special requests.
- Upheld luxury aesthetics through exceptional product consistency, elegant presentation, and meticulous attention to detail.
- Represented the bakery team during culinary-focused events, delivering educational and engaging experiences for discerning guests.

Head Baker

Jan 2022 - Jan 2024

JW Marriott Hotel Nairobi (5-Star Luxury)

- Supervise and actively participate in the daily preparation of breads, pastries, and bakery items for fine dining, casual dining, and exclusive private events.
- Manage, train, and mentor bakery staff to maintain the highest quality standards and foster professional development within the culinary team.
- Ensure strict compliance with HACCP and premium sanitation protocols, maintaining a spotless and highly efficient bakery operation at all times.
- Monitor bakery stock levels, prepare requisitions, control portioning, and minimize waste through strategic production planning.

WORK EXPERIENCE (CONTINUED)

Baker and Icer

Jan 2018 - Dec 2021

Shianne Cakes (Self-Employed)

- Managed end-to-end bakery operations, developing artisanal recipes and destination-inspired specialties for high-profile clients.
- Utilized precise POS System Operation for seamless transaction handling, daily sales tracking, and inventory reconciliation.
- Established rigorous internal sanitation standards and strategic inventory protocols to maximize profitability and eliminate ingredient waste.

KEY ACHIEVEMENTS

- Successfully implemented a zero-waste sourdough starter program, significantly reducing organic flour waste.
- Led cross-functional teams during peak holiday seasons, delivering high-volume, flawless artisanal breads daily without compromising luxury aesthetics.
- Maintained a perfect compliance record during routine and unannounced health and sanitation inspections.

KEY COMPETENCIES

- High-Volume Luxury Production:** Ability to scale recipes rapidly without losing artisanal quality.
- Sanitation Leadership:** Expert implementation of USPH protocols and HACCP methodologies.
- Guest Engagement:** Exceptional communication skills for culinary demonstrations and premium guest interactions.

IN-HOUSE TRAINING

- Advanced Laminated Dough & Viennoiserie Techniques
- Luxury Plating Standards & Contemporary Dessert Presentation
- Deep Sanitation & Preventative Cross-Contamination Masterclass
